

FIRE SALE! FIRE SALE!

Commencing Thursday, October 22, and Lasting 30 Days

We will sell at cost our entire stock of damaged goods. No goods marked up for the sale but marked down instead. When we say at cost we mean at cost and the beauty of it is that we are not going to hire any one to carry on our sale for us, so of course can sell much cheaper.

GOODS WERE MOVED OUT DURING THE FIRE

We moved out our stock of goods during the fire, and of course they were somewhat damaged. This is why we are selling them to the trade at such a sacrifice. We had just received a large line of Hamilton Brown Shoes. Nearly all of these were moved out, also the best line of men's and boys' Clothing that we have ever had. The Clothing was tangled but not damaged, and in order to get the stock down they shall go with the other goods

OUR HONEST OPINION IS

That you will save money by buying from us for we carry nothing but first class goods of all kinds.

The Civic Association would do a good work if they can succeed in getting city council to abolish these restaurants on Main street and thereby do away with the horrible odor of fish which assails the nostrils of passers by.

The Aiken Recorder says that since the dispensary has been established in that county the advertising has been divided between the three county papers, but since the Recorder and the Horse Creek Valley News opposed the dispensary in the recent election on the question of voting the institution out of the county, the county board has taken the advertising away from these two papers and given it all to the Journal and Review. This is a serious mistake on the part of the board, and one that will react against them. Public officials cannot afford to attempt to punish newspapers because of their opinions on public questions. Newspaper men cannot be bought.

Our friend of the Colleton News seems to misunderstand the new territory matter. Bamberg county is not going out soliciting new territory or trying to take from any other

county, but when good people like those of Warren and Broxton townships want to come into Bamberg county, they will be cordially welcome. They do not want to move for sentimental reasons, but because they will be better off by coming into this county. There was no attempt to discredit the editor of The News by alluding to his lack of citizenship. He is no doubt as much interested in Colleton county as if he had lived there for many years, but being a stranger his ignorance of the people and their intentions is not to be wondered at. Fact is, we doubt if many of the citizens of the townships named are acquainted with him.

TRIBUTE OF RESPECT.

On Friday morning, August 14, 1908, the sweet, patient spirit of our beloved sister, Hattie Beard, passed peacefully away from the toils of earth to enter that rest which remaineth to the people of God. Out of respect to our beloved sister, we the members of Colston Branch Baptist church, desire to place on record this tribute to her memory.

Resolved, first. That in the death of our sister our church has lost a consistent and devoted member, the community a kind and good neighbor, her husband a devoted wife, and her children a kind and affectionate mother.

Second. That we bow in humble submission to the will of him who is too wise to err, too good to be unkind; and, furthermore, that each of us strive to live so that as we pass over the silent river it may be said of us as of her, that she has done what she could.

Third. That our sincere condolence be extended to her devoted husband and each of her children in the loss of a loving mother and devoted wife.

Fourth. That a page in our minute book be inscribed to her memory, and that a copy be sent to her family, and to each of the county papers for publication.

THOS. CLAYTON,
Clerk Pro Tem.

IN MEMORIAM.

In memory of my beloved wife, Jane S. Counts, who departed this life the 16th day of October, 1905, three years ago to-day.

Of all the heart-rending pain and suffering, gloom, loneliness, and despondency to which man has ever fallen a victim, there is none so great as that of the loss of a wife who has been so faithful, true, loyal, and just, to all the principles of virtue that constitute the noble deeds of woman.

"Death has no terrors for the just,
'Tis nature's law alike to all,
The Angel beckons, obey we must,
The good fear not the final call."

T. J. COUNTS,
Bamberg, October 16, 1908.

First Car Load.

Next Monday C. F. Rizer at Olar will receive his first car load of horses and mules for the season. They were bought in the best markets of the West, and will be the best load he has handled in a long time. He has mules for all sorts of work, and if you want a speedy horse, he can supply you. Some of the horses in the load can go as fast as 2.40, which is going some. Call on him early before the best ones are picked over.

DON'T EXPERIMENT.

You Will Make No Mistake if You Follow This Bamberg Citizen's Advice.

Never neglect your kidneys. If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to act and no time to experiment. These are all symptoms of kidney trouble, and you should seek a remedy which is known to cure the kidneys.

Doan's Kidney Pills is the remedy to use. No need to experiment. It has cured many stubborn cases in Bamberg. Follow the advice of a Bamberg citizen and be cured yourself.

J. C. Utsey, Main St., Bamberg, S. C., says: "I am very willing that my name should be used in recommendation of such a valuable remedy as Doan's Kidney Pills. I suffered to quite an extent from kidney trouble for several years. There were pains in the small of my back, through the loins and at times I was bothered by the irregular action of the kidneys. The use of several remedies brought me but little relief and when I saw Doan's Kidney Pills advertised, I went to the People's drug store, and procured a supply. Although I have not taken them long enough to justify a cure, from the results already received, I feel that it will be but a short time before this result is brought about. I hope that others who are afflicted in a similar manner will give Doan's Kidney Pills a trial."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
